

SAVE THE DATE!
44th Annual Conference
April 14 – 17, 2011
Maumee Bay State Park

Charting a Course for the Future... in Environmental Education

During the conference, participants can:

- Explore new ways of thinking through workplace interactions and technology
- Discover new and rediscover little used resources at both the local and state level
- Map out ways to partner with other organizations to combine educational opportunities

Information regarding the recruitment of leadership for concurrent sessions is forthcoming. Please think of ways YOU can bring a learning opportunity to the conference as a presenter. Our best teachers come from within our organization!
