

How to Apply

Mail the completed application form with a \$50 deposit to the OEP office.

e³smart is open to 5th-12th grade science teachers in schools within AEP Ohio electric service territory.

For Questions

View the e³smart FAQ sheet online at www.ohioenergy.org, email OEP at bgrimm@ohioenergy.org.

A FREE program for schools in AEP Ohio service territory

Science teachers are invited to be part of an exciting program, e³smart. Facilitated by the Ohio Energy Project, participating teachers in grades 5-12 will:

- Attend a one-day professional development.
- Receive a kit of equipment to teach the science of energy and efficiency through classroom labs.
- Receive student energy kits. Students will be empowered as the “energy leaders” of their families by installing energy efficient measures at home.

Benefits for Educators

- Over \$2,000 worth of curriculum, classroom equipment and student kits correlated to the Ohio Academic Content Standards.
- \$100 stipend for participating in and completing the program
- Optional semester hour graduate credit from Ashland University—available at a reduced rate
- CEU documentation
- Save energy and utility costs at school and home

Program Requirements

- Your school must be in AEP Ohio electric service territory
- Attend a one-day professional development
- Utilize all of the lessons and curriculum in the classroom
- Submit evaluation data by April 15, 2012

Each student kit contains:

- Compact Fluorescent Light Bulbs
- Outlet/Switchplate Draft Stoppers
- Water Heater Temperature Gauge
- Thermostat Gauge
- LED Night Light
- Weather Stripping
- Door Sweep
- Low-flow Showerhead
- Kitchen Aerator
- Bathroom Aerator
- Flow Meter Bag
- Refrigerator Thermometer
- Furnace Filter Whistle

Returning teachers will attend a celebration dinner to receive updates and new materials, and share their stories.

Frequently Asked Questions 2011-2012 e³smart

Q: When will I be notified if I am selected as a participant?

A: Applications will be accepted until all the spots are filled. Apply as soon as possible for best consideration. You will be notified by June 3, 2011 if you are selected. All confirmations will be done via your school email address.

Q: How is the e³smart different from the Be E³ Smart Program?

A: e³smart is the same program as Be E³ Smart; it is just under a different name.

Q: Will I receive my deposit back?

A: Yes. Your \$50 deposit reserves your spot at the professional development or celebration dinner. Your check will not be cashed. It will be returned to you at the completion of the workshop or celebration dinner. Your deposit is only forfeited if you do not attend the professional development.

Q: Do I have to attend the professional development workshop if I attended last year?

A: No. Returning teachers will attend a celebration dinner where they will receive updates and new materials, and share their stories.

Q: How do you select participants?

A: Priority will be given to the following teachers:

- Teachers who completed the program last year and submitted their evaluation data.
- Teachers from the same grade level in a building or school district.
- Only participants teaching in schools served by AEP Ohio will be selected.
- 5th-12th grade science teachers.
- The number of teachers per school and/or district will be determined by the total number of applications received.

Q: What is the cost for the e³smart program?

A: All classroom materials, student kits and lunch during the professional development are **FREE!**

Q: How much graduate credit is available and how much does it cost?

A: One semester hour from Ashland University at \$150 per hour. To fulfill the required amount of 10 contact hours, you must complete additional hours through another OEP program.

Q: I have other questions. Who do I contact?

A: Becky Grimm with the Ohio Energy Project at: bgrimm@ohioenergy.org.

e³smart is sponsored by AEP Ohio
